15 On August 28, 2012, the Court held a case management conference. Plaintiffs' counsel was
16 not present. In the parties' joint case management statement and proposed order, Plaintiffs wrote
17 that they would amend their complaint to add new defendants and a new cause of action by August
18 7, 2012. The joint case management statement and proposed order was filed after that date had
19 passed. To this day, Plaintiffs have not filed a motion for leave to amend their complaint.

20 Accordingly, it is hereby ORDERED that:

21 1. Plaintiffs must show cause within seven days of the date of this order why they
22 should not be sanctioned or have their case dismissed for failure to prosecute for not attending the
23 case management conference.

24 2. Plaintiffs are granted until September 7, 2012, to file a motion for leave to amend
25 their complaint.
